HEAVYDUTY DOOR HINGES

A/S J. PETERSENS BESLAGFABRIK

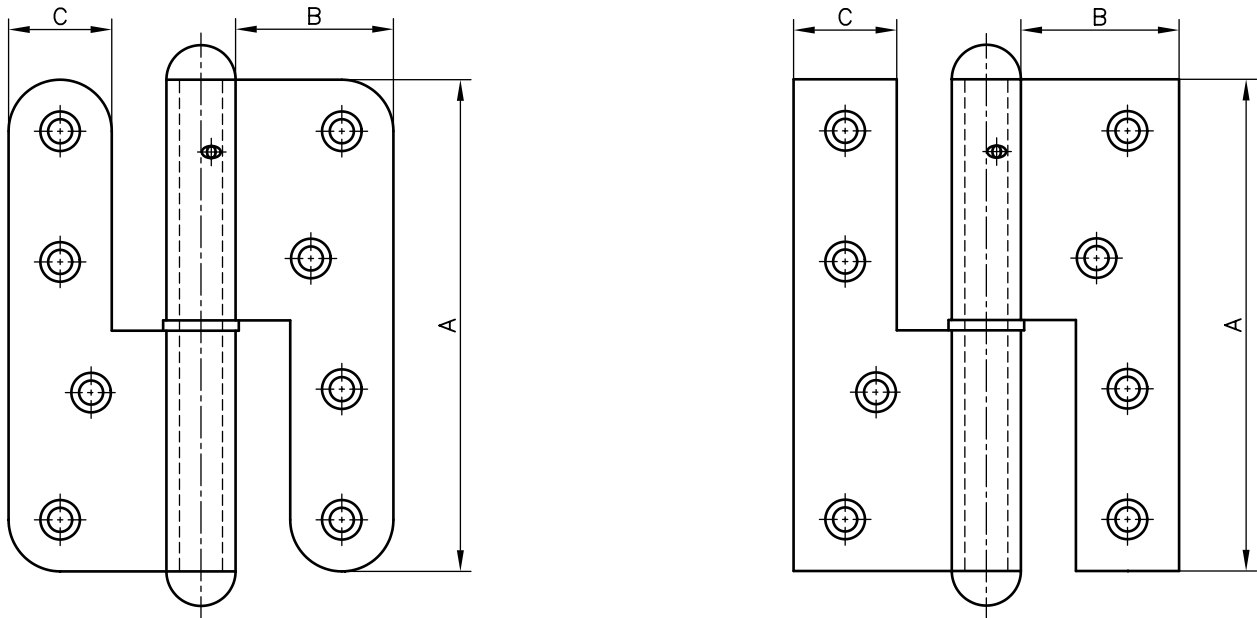

JACOB PETERSENSVEJ 9, DK-9240 NIBE

PHONE: (+45) 98 35 15 00

In the multipurpose IPA range of fittings and hinges for windows and doors, you will also find an assortment of Heavyduty Hinges for very solid doors.

The standard surface treatment of all Heavyduty Hinges are Hot Dip Galvanized, but they can by special order be delivered in any chosen colour.
